

I recognize that your wedding is a very personal and special occasion. From your initial consultation, through your special day, I will work with you to ensure that your images reflect your personal tastes. Whether traditional or contemporary, your session is tailored to your needs. In an effort to accommodate the unique requests of each couple, I offer a variety of camera services. All weddings are captured digitally and are presented in convenient online galleries.

This rate sheet contains several sections:

**Online Viewing:** All sessions are available for viewing on my website. I am proud to offer one of the most advanced viewing systems available on the internet, Pixelshapers. Using the Pixelshapers system, you are able to:

- View all images.
- Compare images side by side. This is a great feature for determining your best image from similar poses.
- Magnify – up to 250 %. Get a closer look at the expression and detail in an image.
- View in Black and White. All captures are in RGB colour. Using the grayscale feature, you can view your images in Blk & Wht.
- Share your images online with friends and family. See all of your images and share only the ones' you want. Our convenient custom gallery feature allows the client to create any number of galleries to share image viewing with any or all of their guests.
- Access Secure Shopping Cart. Any client or guest can view and purchase online. Convenient? You bet! Do you have guest from out of town? Now, sharing your photos has never been easier. No need to gather your family orders. Now, everyone can service themselves!
- View securely. All online viewing and shopping is private and secured via SSL encryption

**Additional Options:**

**Engagement Session:** A portrait session designed for the couple prior to the wedding. Interested in creating some really dynamic images that wedding day time constraints won't accommodate? This session can be added to the E-Package or any Camera Session. \$ 99.00

**Pre-Bridal Portrait Session:** A portrait session designed for the Bride prior to the wedding. Often, brides may want to book a pre-bridal session to create images that cannot be created on the wedding day to to the set-up or location. Create the opportunity with the pre-bridal portrait session. This session can be added any Camera Session or Wedding Package. One 16x20 Signature Wall Decor Portrait is included. \$ 310.00

**Signature Enlargements:**

Signature prints are retouched to correct glare and are presented in ebony presentation folios. All Wall Decor 11x14 portraits are retouched, drymounted, laminated and ready for framing.\*\*

\*Order 5 or more prints of the same image in the same size and receive a 10% discount
